

# Post-Doctoral Fellows

## Details (Post-Doctoral Fellows)

The Post-Doctoral Fellowship (PDF) at the Physical Research Laboratory (PRL) is an initiative to support researchers who have completed or are nearing the completion of their Ph.D. in science or engineering fields. The fellowship offers candidates the opportunity to pursue research in PRL's cutting-edge science and engineering research areas. The tenure of the fellowship is for a maximum of two years, subject to annual progress reviews. The fellowship provides a competitive stipend, research opportunities, and accommodation benefits.

## Objectives (Post-Doctoral Fellows)

- The Post
- Doctoral Fellowship (PDF) at the Physical Research Laboratory (PRL) is an initiative to support researchers who have completed or are nearing the completion of their Ph.D. in science or engineering fields. The fellowship offers candidates the opportunity to pursue research in PRL's cutting
- edge science and engineering research areas. The tenure of the fellowship is for a maximum of two years, subject to annual progress reviews. The fellowship provides a competitive stipend, research opportunities, and accommodation benefits.

## Important Features (Post-Doctoral Fellows)

- The Post
- Doctoral Fellowship (PDF) at the Physical Research Laboratory (PRL) is an initiative to support researchers who have completed or are nearing the completion of their Ph.D.
