

# Kisan Suryoday Yojana (KSY)

## Details (Kisan Suryoday Yojana (KSY))

The "Kisan Suryoday Yojana (KSY)" was launched by the Energy and Petro Chemicals Department, Gujarat, in 2020-2021 with the goal of providing daytime electricity to farmers for agricultural activities. This innovative scheme aims to address the power demands of farmers by supplying electricity from 5:00 am to 9:00 pm. By maximizing the use of solar and non-conventional energy sources, the scheme ensures a reliable and eco-friendly power supply. The KSY is being implemented in phases, aligned with the operationalization of solar and alternative energy generation plants.

## Objectives (Kisan Suryoday Yojana (KSY))

- The "Kisan Suryoday Yojana (KSY)" was launched by the Energy and Petro Chemicals Department, Gujarat, in 2020
- 2021 with the goal of providing daytime electricity to farmers for agricultural activities. This innovative scheme aims to address the power demands of farmers by supplying electricity from 5:00 am to 9:00 pm.

## Important Features (Kisan Suryoday Yojana (KSY))

- The "Kisan Suryoday Yojana (KSY)" was launched by the Energy and Petro Chemicals Department, Gujarat, in 2020
- 2021 with the goal of providing daytime electricity to farmers for agricultural activities. This innovative scheme aims to address the power demands of farmers by supplying electricity from 5:00 am to 9:00 pm. By maximizing the use of solar and non
- conventional energy sources, the scheme ensures a reliable and eco
- friendly power supply. The KSY is being implemented in phases, aligned with the operationalization of solar and alternative energy generation plants.
