

Niramaya Scheme

Details (Niramaya Scheme)

The Department of Health & Family Welfare Department, Government of Odisha introduced a scheme named " NIRAMAYA " - a free medicine distribution scheme. The aim of this scheme is to provide quality essential medicines for all kinds of diseases to patients visiting government health facilities at free of cost. The scheme was launched on 01.05.2015 with an assurance to provide 720 medicines listed in the Emergency Drugs List at all the Government run hospitals and medical colleges free of cost to the patients. This scheme is managed by the Odisha State Medical Corporation Ltd. Key Features of the scheme: Healthcare Coverage: The scheme provides coverage for a wide range of health services, including preventive, diagnostic, and treatment services. It focuses on ensuring that people have access to essential medical care.

Objectives (Niramaya Scheme)

- The aim of this scheme is to provide quality essential medicines for all kinds of diseases to patients visiting government health facilities at free of cost.
- Quality Improvement: Scheme aims to enhance the quality of health services by setting standards and improving the infrastructure of healthcare facilities.

Important Features (Niramaya Scheme)

- Key Features of the scheme: Healthcare Coverage: The scheme provides coverage for a wide range of health services, including preventive, diagnostic, and treatment services. Financial Support: It may include financial support for medical treatments, which helps reduce out of pocket expenses for individuals and families. This might include primary health care, secondary and tertiary care, and sometimes even specialized treatments. Public Awareness: The scheme often includes components for educating the public about health issues, preventive measures, and the available health services.

Benefits (Niramaya Scheme)

- Cashless Medicinal Drugs: This scheme provides free medicines treatment to the beneficiaries of the scheme. This means that they can avail of medical drugs without having to pay any cash upfront. No Age Limit: The scheme has no age limit, and anyone can avail of the benefits of the scheme, including senior citizens. Easy Enrollment: The enrollment process for the scheme is simple and hassle free, and anyone can enroll in the scheme by submitting the required documents. Increased Access: Ensures that more people have access to necessary health services. Reduced Financial Burden: Helps in alleviating the financial burden on families for medical treatments. Enhanced Health Outcomes: By improving the quality of care and ensuring timely treatment, the scheme contributes to better health outcomes.
