

Arun Pig Development Scheme

Details (Arun Pig Development Scheme)

The scheme "Arun Pig Development Scheme" was launched by the Department of Animal Husbandry, Veterinary & Dairy Development, Government of Arunachal Pradesh in the financial year 2019-20 with a focus on pig rearing. Objective Genetic improvement of the indigenous pigs of Arunachal Pradesh for productivity enhancement by crossbreeding with the exotic breed(s) to a desired level of combination of exotic and local inheritance, Improvement of indigenous pig rearing by the rural people by selective breeding, Livelihood earning Maintenance of well-planned crossbred animals at farmers' field Expansion of piggery husbandry and support mechanism to propagate pig rearing in rural areas Ensure that the breeds introduced, and crossbreds produced and propagated in the state are adapted to local environmental conditions and emerging climatic challenges, Strengthen support mechanisms and development of the sector in respect of feeding, housing, and health care besides value addition and marketing of the product with value chain development. Important Features Seeing the low interest of the actual grass root level farmer for the credit link schemes and their poor success rate, a new venture for piggery development in the state through direct intervention by the Department of AHV■, GoAP in terms of upgradation of genetic resources, and other peripherals, a new and innovative scheme is proposed for Budget Announcement 2019-20 for sustainable development and poverty alleviation of Farmers through Pig Rearing in potential districts of Arunachal Pradesh.
