

Establishment of Integrated Educational Complexes

Details (Establishment of Integrated Educational Complexes)

The scheme "Establishment of Integrated Educational Complexes" by the Directorate of Education, Government of Goa, aims to address the inadequate infrastructure and congested conditions faced by government-aided educational institutions in urban areas such as Panaji, Margao, and Mapusa within Goa. ■ The scheme envisages the setting up of Integrated Educational Complexes at Bambolim, Mapusa and Margao, initially at Bambolim.

Objectives (Establishment of Integrated Educational Complexes)

- The scheme "Establishment of Integrated Educational Complexes" by the Directorate of Education, Government of Goa, aims to address the inadequate infrastructure and congested conditions faced by government
- aided educational institutions in urban areas such as Panaji, Margao, and Mapusa within Goa.

Important Features (Establishment of Integrated Educational Complexes)

- The scheme "Establishment of Integrated Educational Complexes" by the Directorate of Education, Government of Goa, aims to address the inadequate infrastructure and congested conditions faced by government
- aided educational institutions in urban areas such as Panaji, Margao, and Mapusa within Goa. These complexes are envisioned as comprehensive educational hubs equipped with essential facilities like playgrounds and auditoriums, providing a conducive environment for learning. ■ The scheme envisages the setting up of Integrated Educational Complexes at Bambolim, Mapusa and Margao, initially at Bambolim. The Integrated Educational Complex is a unique approach to providing better education (with common facilities) to students coming from all backgrounds as it is observed that many of the schools located in Urban areas are functioning in congested areas/flats and do not have any space for infrastructure facilities such as playground, auditorium etc. which does not provide the right school atmosphere.

Benefits (Establishment of Integrated Educational Complexes)

- Allotment of (approx.) 3000 to 6000 square meters of land for every school/institution for separate building(s) depending on the strength of the students.
- The same is leased out for 33 years.

Eligibility (Establishment of Integrated Educational Complexes)

- Government
- aided institutions in the city/town of Panaji/Margao/Mapusa located within 10 km. of the complex site and engaged in educational activities, if they so desire to shift from their present location due to the fact that their schools are presently functioning in areas that are congested and with insufficient infrastructure, may apply. Existing Government educational institutions that have no or insufficient premises and are located within 10 km. of the proposed complex site may also apply.

Application Process (Establishment of Integrated Educational Complexes)

- The schools/institutions fulfilling the eligibility criteria should submit the proposal requesting for allotment of land, along with the required documents, to: Director of Education, Directorate of Education, Government of Goa, Porvorim, Goa- 403 501, 0832-2416139, dir-educ.goa@nic.in All proposals under the scheme shall be scrutinized by a committee comprising of Director of Education, Senior Dy.
