- The objective of the scheme is to provide financial assistance to students belonging to Scheduled Tribes pursuing Post
- Matriculation recognized courses in recognized institutions. The scheme covers professional/ technical as well as non
- professional and non
- technical courses at various levels and also correspondence courses including distance and continuing education. The scheme is 90:10 funding from by the Ministry of Tribal Affairs and Mizoram state.

Benefits (The Post-Matric Scholarship For Scheduled Tribes Students)

- 1) Financial assistance: The scholarship provides financial assistance to Scheduled Tribe (ST) students to pursue post matriculation studies. It covers the expenses of tuition fees, maintenance fees, and other incidental expenses.
- 2) Encourages education: The scholarship aims to encourage ST students to continue their education beyond the matriculation level and pursue higher studies.
- 3) Increased literacy rate: The scheme is designed to increase the literacy rate among the ST communities, which traditionally have a lower literacy rate compared to other communities.
- 4) Empowerment: By providing financial support, the scholarship aims to empower ST students and enable them to become self-reliant and independent.
- 5) Reduction of dropouts: The scholarship aims to reduce the number of dropouts among ST students, which is a significant problem faced by this community due to economic constraints.
- 6) Social upliftment: The scheme helps in the social upliftment of the ST communities by providing them with better access to education and opportunities.
- 7) Improved employment opportunities: Education is a key factor in improving employment opportunities, and the scholarship aims to equip ST students with the necessary skills and knowledge to pursue successful careers.
- 8) Inclusive growth: The scholarship scheme is a part of the government's larger agenda of promoting inclusive growth and development, where every section of society has equal access to opportunities and resources. ■
