

Chief Minister's White Revolutions Scheme

Details (Chief Minister's White Revolutions Scheme)

It aims to create a cooperative model of 200 dairy farmers in Pasighat, Rupa, Tezu, Chowkham, and Roing as milk production hubs. The scheme provides a minimum support price for milk procurement and strengthens the milk plant at Karsingsa and Rupa. The scheme also supports vermicompost facilities through 200 farmers to promote organic farming and the Green India campaign. The implementation of the scheme is through the department of Animal Husbandry, Veterinary & Dairy Development with tie-ups with the Apex Bank and NABARD. The scheme helps in poverty alleviation, economic upliftment, minimizes human migration, ensures the health of the farmers through supplement milk production, and enhances organic agricultural/horticultural productivity.
