

Swarnim Jayanti Mukhya Mantri Shaheri Vikas Yojana (SJMMSSVY)

Details (Swarnim Jayanti Mukhya Mantri Shaheri Vikas Yojana (SJMMSSVY))

The scheme aims to upgrade urban infrastructure, focusing on water supply and underground drainage. The program is implemented by the Gujarat Urban Development Mission (GUDM), the Gujarat Municipal Finance Board, and other municipal authorities, ensuring a sustainable and efficient urban ecosystem.

Objectives (Swarnim Jayanti Mukhya Mantri Shaheri Vikas Yojana (SJMMSSVY))

- The scheme aims to upgrade urban infrastructure, focusing on water supply and underground drainage.

Important Features (Swarnim Jayanti Mukhya Mantri Shaheri Vikas Yojana (SJMMSSVY))

- Key projects include the "Nal Se Jal" initiative for daily tap water supply, the establishment of Sewage Treatment Plants (STPs), and the integration of solar energy for operational efficiency.

Benefits (Swarnim Jayanti Mukhya Mantri Shaheri Vikas Yojana (SJMMSSVY))

- Daily Access to Clean Drinking Water: Ensures households receive potable water through the "Nal Se Jal" initiative. Efficient Waste Management: Provides safe disposal of wastewater through underground drainage systems. Enhanced Urban Sanitation: Establishes Sewage Treatment Plants (STPs) to improve environmental hygiene. Promotion of Renewable Energy: Reduces energy costs by integrating solar plants in STP and WTP operations. State Funded Support: 100% financial support from the Gujarat state government for project implementation.

Eligibility (Swarnim Jayanti Mukhya Mantri Shaheri Vikas Yojana (SJMMSSVY))

- The applicant must be a recognized municipality, municipal corporation, or urban/area development authority within Gujarat.
- ■
