

Agroforestry component under RKVY

Details (Agroforestry component under RKVY)

In 2023-24, the scheme was restructured as an Agroforestry component under Rashtriya Krishi Vikas Yojana (RKVY) and focusses on Quality Planting Material. Under the scheme, financial assistance is being provided to the beneficiaries for establishment of nurseries and raising of saplings. The scheme shall promote the setting up of new small, medium and hi-tech nurseries for producing Quality Planting Materials (QPM). ■ The key objectives of the scheme are as follows: • To encourage and expand tree plantation in complementary and integrated manner with crops and livestock, to improve productivity, employment opportunities, income generation and livelihoods of rural households, especially the small farmers.
