

# **Mobility Scheme**

## **Details (Mobility Scheme)**

The “Mobility Scheme” was launched under Knowledge Involvement in Research Advancement through Nurturing (KIRAN) Programme by the Department of Science & Technology, Government of India, aims to address relocation issue of women scientists working in regular position in Government Organizations. The scheme aims to provide an opportunity to women scientists who are facing difficulties in their present job due to relocation (marriage, transfer of husband to any other location within the country, attending ailing parents, and accompanying children studying in different city) and will act as filler while searching other career option at new place.
