

# **Semi-Commercial Duck Farming**

## **Details (Semi-Commercial Duck Farming)**

The scheme "Semi-Commercial Duck Farming" started under the State Sector Scheme "Encouragement of Commercial Poultry Entrepreneur and Promotion of Backyard Poultry Production" to support small entrepreneurs in setting up Duck farms with a capacity of 1000 ducks. Under this new State plan scheme, individual farmers will be supported for taking up semi-commercial duck rearing with a subsidy of 40% subsidy. Aim: The scheme aims to support 100 individual farmers in setting up semi-commercial duckery units with a capacity of 1000 ducks per unit. Objective: To strengthen the local production systems for enhancing livelihoods and for the generation of additional income among the farmers through duck rearing.
