

# Kisan Vriksha Mitra Yojana

## Details (Kisan Vriksha Mitra Yojana)

The scheme "Kisan Vriksha Mitra Yojana" by the Department of Forest, Environment, and Climate Change, Government of Chhattisgarh, aims to promote commercial tree plantation on private lands of farmers and other stakeholders. The scheme seeks to increase farmers' income, reduce the financial burden on the government, and generate employment opportunities. The scheme is implemented by the Department of Forest, Environment, and Climate Change in collaboration with private companies and supportive organizations.

## Objectives (Kisan Vriksha Mitra Yojana)

- The scheme "Kisan Vriksha Mitra Yojana" by the Department of Forest, Environment, and Climate Change, Government of Chhattisgarh, aims to promote commercial tree plantation on private lands of farmers and other stakeholders.

## Important Features (Kisan Vriksha Mitra Yojana)

- Eligible beneficiaries include farmers, private educational institutions, private trusts, panchayats, and leased landholders.
- The scheme is implemented by the Department of Forest, Environment, and Climate Change in collaboration with private companies and supportive organizations.

## Benefits (Kisan Vriksha Mitra Yojana)

- Financial Assistance 100% financial assistance for plantation on up to 5 acres of land (maximum 5,000 plants).
- 50% financial assistance for plantation on more than 5 acres of land (maximum 1,000 plants per acre).
- 50% financial assistance for private educational institutions, private trusts, panchayats, and leased landholders.
- Buyback Assurance The government ensures buyback of produce like eucalyptus, bamboo, and other economically beneficial trees at a predetermined support price.
- The scheme also involves private companies and supportive organizations for financial collaboration and buyback assurance.
- Employment Generation The scheme aims to create employment opportunities through plantation activities.
- Mode of Disbursement Financial assistance is disbursed directly to the beneficiaries' accounts after verification of plantation work.
- Frequency of Disbursement Assistance is provided over three years, with yearly disbursements based on the survival rate of plants.

## Eligibility (Kisan Vriksha Mitra Yojana)

- The following are eligible
- Farmers with private land. Private educational institutions. Private trusts. Panchayats. Leased landholders. \*Priority is given to farmers and stakeholders who are willing to plant commercially viable tree species like eucalyptus, bamboo, and others.

## Application Process (Kisan Vriksha Mitra Yojana)

- Step 1: The Interested parties should contact the regional offices of the Forest and Climate Change Department.
- Regional staff and representatives will engage with potential applicants to confirm their willingness to participate.
- Step 2: Submit the application form along with required documents to the nearest forest office.
- The forest department will verify the land and documents submitted by the applicant.
- Step 3: Upon successful verification, the application will be approved, and the beneficiary will be notified.

- Step 4: The beneficiary will carry out the plantation as per the guidelines provided by the department.
- Step 5: Upon verifying eligibility and project feasibility, financial aid (as outlined) is provided either fully or partially, based on land size and category.
- \*The department will monitor the plantation for three years, and subsequent disbursements will be based on the survival rate of the plants.
