

Chief Minister's Startup/innovation Projects/new Industries

Details (Chief Minister's Startup/innovation Projects/new Industries)

Detailed In order to turn the educated youth from job seekers to job creators and in order to give support to the 'Startup' and 'innovative projects' in the state and to provide skills to the youth and potential investors to develop entrepreneurship "Chief Minister's Startup/Innovation Projects/New Industries Scheme" has been formulated. The scheme envisages various incentives for startups so as to enable the entrepreneur's success in their ventures. The scheme also makes provision for the creation of incubation Centers in the host institutions in the State in order to build capacities, develop networking, establish the necessary infrastructure, and generate awareness. The basic objective of this scheme is the creation of self-employment and employment generation, the upgrading of the skills of entrepreneurs and providing them support to set up their units under professional guidance, promotion of innovation in focus areas, setting up of incubation centers, creating working space for startups and innovative projects, providing incentives, etc. This Scheme also aims at helping and hand-holding entrepreneurs to select viable projects in the potential areas in manufacturing and service sectors and train them to set up startups and subsequently manage and run their enterprises professionally. ■ Aims and Objectives Self-employment/ employment generation and income generation.
