

Students Ready

Details (Students Ready)

The Student READY (Rural Entrepreneurship Awareness Development Yojana) program aims to provide rural entrepreneurship awareness, and practical experience in a real-life situation in rural agriculture, and create awareness to undergraduate students about practical agriculture and allied sciences. It also aims to provide opportunities to acquire hands-on experience and entrepreneurial skills. The main objectives of EL are: ■ To promote professional skills and knowledge through meaningful hands on experience. The students also get opportunity to study the various on-going schemes related to agriculture and rural development and participate in their implementation. It has been implemented in adopted villages under the supervision of scientists. Activities focused on intensive observations/ analysis of socio-economic and technological profile of the farm families in rural areas, participatory extension approach and acquaintance with farming situations, farm practices and interaction with progressive farmers.

Objectives (Students Ready)

- The Student READY (Rural Entrepreneurship Awareness Development Yojana) program aims to provide rural entrepreneurship awareness, and practical experience in a real life situation in rural agriculture, and create awareness to undergraduate students about practical agriculture and allied sciences. It also aims to provide opportunities to acquire hands on experience and entrepreneurial skills.
