

Deen Dayal Disabled Rehabilitation Scheme

Details (Deen Dayal Disabled Rehabilitation Scheme)

The Deen Dayal Disabled Rehabilitation Scheme (DDRS) is a Central Sector Scheme of the Government of India that provides financial assistance to voluntary organizations working for the education and rehabilitation of persons with disabilities. The scheme was launched in 1999 and was revised and renamed in 2003. ■ Objective Create an enabling environment to ensure equal opportunities, equity, social justice, and empowerment of persons with disabilities.

Objectives (Deen Dayal Disabled Rehabilitation Scheme)

- ■ Objective Create an enabling environment to ensure equal opportunities, equity, social justice, and empowerment of persons with disabilities.

Important Features (Deen Dayal Disabled Rehabilitation Scheme)

- The Deen Dayal Disabled Rehabilitation Scheme (DDRS) is a Central Sector Scheme of the Government of India that provides financial assistance to voluntary organizations working for the education and rehabilitation of persons with disabilities.
- The scheme was launched in 1999 and was revised and renamed in 2003.
- ■ Objective Create an enabling environment to ensure equal opportunities, equity, social justice, and empowerment of persons with disabilities.
- Encourage voluntary action for ensuring effective implementation of the Rights of Persons with Disabilities Act 2016.

Benefits (Deen Dayal Disabled Rehabilitation Scheme)

- The Deen Dayal Disabled Rehabilitation Scheme (DDRS) provides a wide range of benefits to persons with disabilities, including:
 - Early intervention : The DDRS provides financial assistance to voluntary organizations for early intervention programs for children with disabilities. These programs help to identify and address developmental delays early on, which can improve the child's long term outcomes.
 - Development of daily living skills : The DDRS provides financial assistance to voluntary organizations for programs that help persons with disabilities to develop the skills they need to live independently. These programs may include training in activities such as cooking, cleaning, and personal care.
 - Education : The DDRS provides financial assistance to voluntary organizations for educational programs for children and adults with disabilities. These programs may include mainstream education, special education, and vocational training.
 - Skill development oriented towards employability: The DDRS provides financial assistance to voluntary organizations for skill development programs that help persons with disabilities to find employment. These programs may include training in computer skills, office skills, and trade skills.
 - Training and awareness generation: The DDRS provides financial assistance to voluntary organizations for training programs for staff and caregivers of persons with disabilities. These programs help to build capacity and raise awareness about disability issues.
- Construction and upgradation of infrastructure facilities for persons with disabilities : The DDRS provides financial assistance to voluntary organizations for the construction and upgradation of infrastructure facilities for persons with disabilities. This may include ramps, accessible toilets, and specialized equipment.
- In addition to these direct benefits, the DDRS also helps to promote the empowerment of persons with disabilities by supporting voluntary organizations that work to advocate for their rights ■ The following are the 9 Model Projects :
- Pre School
- School, Early Intervention and Training Special Schools for:
- Children with Intellectual Disabilities Children with Hearing & Speech Disabilities Children with Visual Disabilities Project for Cerebral Palsied Children Project for Rehabilitation of Leprosy Cured Persons Half Way Home for Psycho
