Mukhyamantri Matrushakti Yojana

Details (Mukhyamantri Matrushakti Yojana)

The "Mukhyamantri Matrushakti Yojana (MMY)" launched in 2022 by the Women and Child Development Department, Gujarat, focuses on improving the health and nutrition of pregnant women and mothers with children under 2 years. The scheme offers a nutritional kit containing groundnut oil, tuver dal, and chana to support calorie and protein needs. The initiative addresses the critical first 1000 days of life, aiming to enhance maternal and child health, reduce infant mortality, and prevent low birth weight.
